SUMMARY

Computer Science and Engineering student with an interest in software development, artificial intelligence, and cloud computing. Completed academic projects and continuously improving technical knowledge through industry certifications. Strong leadership, teamwork, and problem-solving abilities with a passion for learning and building innovative software solutions.

SKILLS

Soft Skills

- Communication
- Teamwork
- Leadership
- Adaptability

Technical Skills

- HTML
- CSS
- Python
- Artificial Intelligence (Academic)

PROJECTS

Vision Transformer for Pneumonia Detection

- Developed an AI-powered pneumonia detection system using Vision Transformer (ViT) to classify chest X-ray images and support accurate disease diagnosis.

Aarogya Sahayak AI

- Developed an AI-powered healthcare assistant that provides symptom analysis, preliminary health guidance, and access to healthcare resources through a user-friendly interface.

Wireless EV Charging System

- Designed and developed a wireless electric vehicle charging prototype using electromagnetic induction to enable safe and efficient contactless power transfer.

Car Rental Management System

- Developed a full-stack car rental platform that allows users to browse, book, and manage vehicle rentals with secure authentication and booking management.

AI Smart Timetable Generator

- Designed an AI-powered timetable generation system that automatically creates conflict-free academic schedules by optimizing faculty availability, classroom allocation, and course timings.

EDUCATION

Bachelor of Technology (B.Tech) - Computer Science and Engineering

Karunya Institute Of Technology And Sciences

Coimbatore, Tamil Nadu

- Pursuing a Bachelor of Technology (B.Tech) in Computer Science and Engineering.
- Completed academic projects in Artificial Intelligence, Embedded Systems, Machine Learning, and Software Development.
- Earned industry-recognized certifications from Microsoft, AWS, IBM, Cisco, and Infosys.
- Passionate about learning software engineering, cloud computing, and emerging technologies.

Higher Secondary Certificate (HSC), 81.1%

Apr 2023

Anitha Kumaran Matric. Higher Secondary School

Udangudi, Tamil Nadu

- Completed Higher Secondary Education with Computer Science as the major subject.
- Achieved an overall score of 81.1%.
- Represented the school as an Olympic Torch Bearer during the 2022 Zonal Sports Meet at Sivanthi Aditanar College, Tiruchendur.
- Served as Captain of the Green House and Handball Team, demonstrating leadership and teamwork.
- Represented the school in State-Level Championships.

CERTIFICATIONS

- Microsoft Certified: Azure Fundamentals (AZ-900) — Microsoft
- AWS Cloud Practitioner Essentials — Amazon Web Services
- Microsoft Certified: Azure Data Fundamentals (DP-900) — Microsoft
- Introduction to Google Workspace with Gemini — Google Cloud (Coursera)
- Introduction to Generative AI — Google Cloud (Coursera)
- Enterprise Security in Practice — IBM
- Cisco CSS Essentials — Cisco
- Internet of Things 101 — Infosys
